

ALWAYS SOMETHING FOR EDUCATIONAL SUPPORT PROFESSIONALS

The NJEA Convention has something for you. With over 300 professional development sessions, here are just a few of the offerings that NJEA members working as educational support professionals (ESP) will want to consider.

JOIN YOUR FELLOW NJEA MEMBERS in Atlantic City for one of these special professional development sessions designed with you in mind, or check out one of the hundreds of other sessions offered on everything from social justice to classroom management and beyond. To discover others sessions that apply to your work, download the NJEA Convention app or visit the NJEA Convention website at njeaconvention.org. Pay special attention to workshops listed under "Instructional Strategies/Best Practices" and "Affective Education" and on Digital Boulevard. Many of those workshops will apply to your work even if they are not listed above.
